May 2022

Dear Friends,

Hello 2022! The year 2021 continued to challenge us in how we interact with one another and how our programs are delivered at our library. With two years of "Life in the Time of COVID-19", our library is still going strong. The amazing result from 2021 is that our library continued to adapt and be a constant service and assistance to our community. We are so happy to brag on what our group has done for our library.

During 2021, the Friends provided volunteer hours to assist with library programs and distributed books to kindergarten students at Grand Saline and Fruitvale ISDs. Books were also purchased for giveaways during the summer reading program. In addition, the Friends purchased new chairs for the library's front porch, a green screen to enhance programming and an electronic cutting tool to be available for library and patron use. We could not have accomplished this without your support. Thank you again and always for all you do for the library and citizens of Grand Saline.

The Friends will continue to evaluate and improvise, to be pro-active and re-active, to value the health and safety of our members and support our library. This year, we plan to completely reshape the Friends to match the needs and service time of our members. If you have ideas for the Friends to consider, please let us know. You can email ideas to [friendsofthegrandsalinelibrary@gmail.com](mailto:friendsofthegrandsalinelibrary@gmail.com).

Our library needs our support now more than ever to meet current demands and challenges. By renewing or joining the Friends of the Library, you are helping fund an array of programs and supplies that make our library a resource of knowledge, learning and entertainment.

Membership dues are still only \$50 per year for businesses and \$25 per year for your entire family.

Thank you for your support.

Please return this information with your membership dues.
